

Connect, collaborate & co-create as a Valley Partner

About the Valley

The Valley is a network of Swiss food innovators - from large enterprises, universities, innovation accelerators and investors to government bodies, SMEs and startups - who are committed to working together to pioneer future-proof food systems.

Your benefits

Boost your visibility

Share your company's contribution to driving more sustainable food systems.

Access collaboration opportunities

Spot opportunities to develop projects or partnerships with Swiss food innovators.

Leverage your role in the ecosystem

Connect with Swiss food innovators through events and introductions.

Attract talent

Position yourself as an attractive employer for food innovation experts.

Our offer

- + Free attendance at all Valley events, including an annual large enterprise roundtable event to explore synergies and facilitate interaction and exchange with peers.
- + Attract the very best Swiss food innovation talent by posting your job opportunities on the Valley talent page and creating content that illustrates your company culture.
- + Meet and attract global talents at our annual our Walking the Valley event
- + Identify opportunities to collaborate and co-create with fellow Swiss innovators around key food system topics through our Impact Platforms.
- + 1 on 1 introductions to innovators in the national and international food ecosystem.
- + Co-create and co-promote events to position your company as a thought leader or interact directly with promising Swiss founders and startups

Become a Valley partner
