

Connect, collaborate & co-create as a Valley Partner

About the Valley

The Valley is a network of Swiss food innovators - from large enterprises, universities, innovation accelerators and investors to government bodies, SMEs and startups - who are committed to working together to pioneer future-proof food systems.

Your benefits

Connect & collaborate

Connect with innovative companies and investors to spot opportunities to apply your cutting-edge research.

Showcase your successes

Share your research talent and startup alumni with our Swiss and global community of food innovators.

Our offer

- + Work alongside the Valley comms team to feature your research, talents and startup alumni on the Valley's communication channels through our talent content stream.
- + Co-create and co-promote events with the Valley or showcase your work as speakers at existing events.
- + Free attendance at all Valley events, including an annual Academia & research roundtable event to explore how your research can be applied in collaboration with other Valley partners.
- + 1 on1 introductions to others in the national and international ecosystem.
- + Exclusive access to Partners-only opportunities through the Valley Insiders newsletter and LinkedIn group.
- + Connect with other ecosystem actors and get support to co-create projects through our Impact Platforms.
- + Showcase your food innovation opportunities on our job platform.

Become a Valley partner

Academia & research organizations invest 10,000 CHF/year to be part of the Valley community.
