

Shape the future of food innovation in Switzerland.

Join Switzerland's food innovation ecosystem to raise your visibility, connect with the partners who matter, and access the initiatives that accelerate your growth.

Why partner with the Valley?

Join Planted, Revyve, Ecorobotix, Aleph Farms, Insolights and 100+ others to:

- ✓ Build a bridge to scaling partners, commercial partners and investment opportunities
- ✓ Gain exposure to the European food ecosystem and go global
- ✓ Connect with a rich startup community, participate in projects and attract a strong team
- ✓ Find the smart levers that deliver maximum impact with minimum resources

How can I benefit ?

Communicate – increase your visibility and strengthen your positioning in the food system

- Get featured across SFNV's channels, reaching 20,000+ food innovators — content tailored to your news: a new partnership, a product launch
- Access exclusive placements in leading Swiss and international food publications — ad value up to CHF 30,000 per placement
- Share your pitch deck with 300+ FoodTech investors through the Quarterly Investor Dealflow

Connect – get the introductions that open the doors that matter

- Curated introductions to corporates, SMEs, investors and fellow startups
- Free attendance to all SFNV events — Annual Valley Day, State of Plays, Roundtables, Walking the Valley
- Access 20+ curated European industry events with discounted tickets, speaker and booth opportunities
- Scale with the Navigator — find talent, facilities, funding and know-how, plus exclusive partner benefits

Collaborate – join projects that accelerate what you're building

- Join SFNV-led strategic initiatives — Nutrition4Metabolic Health, FAO Scaling Hub, Ecotrophelia — contributing to outcomes that matter and gaining access to the key players shaping them
- Navigate the grant and accelerator landscape with guidance from the SFNV team — choose the right programme for your stage

"Through the connections we made with the Valley network, we could establish partnerships with leading companies in food service and food production, and therefore bring our product to thousands of plates."
